

Garbage Files

Description

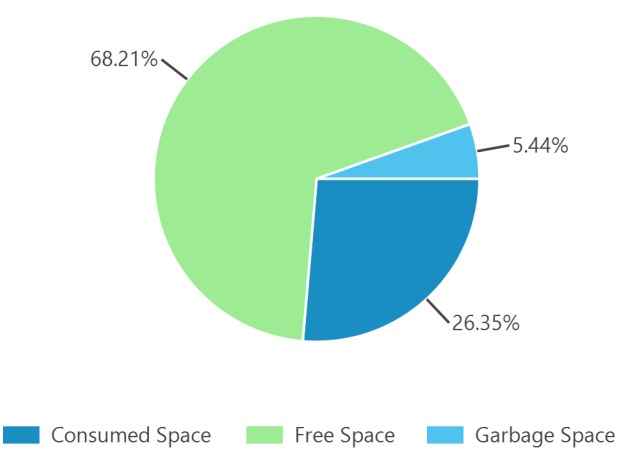

This report shows an overview of storage consumed by all files that do not belong to VMs registered in VI inventory.

Report Parameters

Scope: Virtual Infrastructure

Summary

Total garbage files size: 7.55 TB
Total garbage files number: 1282

Details

Storage: **NFSDatastore**

Location: [vcenter01.tech.local](#)

Garbage Files Folder	Number of Garbage Files	Garbage Files Size
Agent templates/prgtcahelp01/	2	47.80 GB
